

Unmasking depression and more : Solutions and unanswered questions

Madani, Adel

Al-Azhar Univ., Cairo (EGY). Fac. of Med.

Ain-Shams International Congress in Psychiatry : Towards Global Patient's Care. 3rd. Luxor (EGY). Mar 1-3, 2007

In clinical practice, the management of depression and anxiety disorders requires an individualized clinical strategy. Treatment selection is also complicated by commorbidities. The presentation will highlight the therapeutic strategies used in the management of depression and anxiety disorder, in addition to the evidence based pharmacotherapeutic agents together with the non pharmacological treatments.
